COMPANY OVERVIEW

H.A.S Import Export is a Bangalore, India-based merchant export and import company specializing in the procurement, export, and international trade of a diverse range of products. As a merchant exporter, we source high-quality products from trusted manufacturers across India and export them to customers worldwide, delivering competitive pricing, consistent quality, and reliable logistics.

Operating through road, air, and sea freight, we provide complete end-to-end export solutions from product sourcing and quality inspections to customs clearance and international delivery.

Our objective is simple: to make international trade easier, faster, and more transparent for our clients worldwide.

WHO WE ARE

Founded with the vision of promoting Indian products across global markets, H.A.S Import Export serves as a trusted sourcing partner for importers, wholesalers, distributors, retailers, and industrial buyers.

Rather than limiting ourselves to a single product category, we operate as a multi-product merchant exporter, enabling clients to source a wide variety of products through one reliable partner.

With years of experience in international trade, we understand the complexities of global procurement and work diligently to ensure every shipment meets international standards of quality and compliance.
